

Welcome to Gravesend Cycling Club

Racing

We offer our members a wide range of racing activities. A racing program is published annually detailing all Club events such as our evening 10 Mile Time Trial Series and those open events that count towards the Club championship.

The Club is affiliated to; Cycling Time Trials, Kent Cycling Association and British Cycling

Summer Tuesday Evening Time Trials

From April to August, the Club runs a series of evening 10 Mile Time Trials every Tuesday evening. These are open to club members, newcomers and riders from other local clubs. They are friendly events and provide a good introduction to competitive cycling. Many people ride these events simply for training or as an opportunity to socialise with other members.

Club Runs

Sunday Club runs start at Cobham War Memorial every Sunday at 9:00am when in GMT and 8:30 when on BST. Runs are typically around 40 miles.

Sportive (non-competitive cycling events)

Riders from the club regularly take part in organised Sportives.

These are some examples:

- The Gravesend Reliability Ride – January
- The Ride London – May
- The Dragon Ride (Wales) – June

Social Events

These vary from year to year and include The Annual trips to the Alps or Pyrenees, the Club Dinner and Prize Presentation, visits to major races, quiz nights and socialising with other local clubs.

Club Nights

We meet on the **First Wednesday** of the month, from **7:30pm** at the See Ho pub in Shone DA12 3J.

Club Clothing

Race clothing including jerseys, skinsuits and shorts as well as a range of Club leisurewear are available from the clothing secretary.

Cyclists Touring Club

We have a friendly association with the local CTC and share many activities with them, in fact many of our members are CTC members too. Event lists are published regularly on the Gravesend CTT Website (www.gravesendctc.org.uk).
